

March 2024 Newsletter

Only Jesus Can Save

Where does your salvation come from? Peter having been filled with the Holy Spirit says in Acts 4:12 “And there is salvation in no one else, for there is no other name under heaven given among men by which we must be saved by.”

Many people look to religion, self, family, friends, work, money, and many other things for their salvation. CS Lewis, a well-known Atheist, gave his life to Christ in his latter years (1931) and said:

“When Christ died, he died for you individually just as much as if you had been the only person in the world.” People can search for all eternity long, but they will not find any like the Lord God Almighty.

Jesus says in John 3:16 “For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life.” Many lost people are looking for the right path to take, to only find themselves back at square one or eventually a dead end. Nok Suksai, a die-hard Buddhist, gave her life to Christ when she met some American missionaries that invited her and her friends on a Christian retreat and said: “When I saw Jesus die on the cross, and die for me, I thought nobody else could do that for me and sacrifice for me,” Nok explained. “Jesus is different than the Buddhist gods because they help themselves get to nirvana, but they don’t

help others.” We meet lost people all the time that ask us about our Jesus, and this give us the opportunity to point them to Him. Jesus says in John 14:6 “I am the way, and the truth, and the life. No one comes to the Father except through me.” God’s Word does not return void, as the Gospel is alive and changes lives!

After a long-lasting January, February has flown by in a blink of an eye. We have hit the ground with our feet running each week from the campground to the community, to include traveling to different churches each weekend to share what the Lord is doing in the life of our ministry. We still have several churches on our schedule, to include a reschedule over the upcoming weeks. We do have a couple weekends available if you would like to have your church on our schedule. It is amazing to see how God continues to grow our ministry with the support not only from churches, but individuals we meet along the way. We are expecting the

Lord to do big things during the season ahead, and we are excited to be a part of where He is at work. Each week, we have been able to make new connections, build bridges, serve, and share the Gospel with many folks. A few weeks ago, we were at a church unlike we have ever experienced before. The presence of the Lord was so heavily felt that everyone was worshipping freely in their own way. There are no words to describe our overall time of worship! Every weekend has been an amazing experience! We have been blessed with new partnerships that will have long lasting effects to help further the Kingdom of God.

Where we are headed, seems to be the most asked question by many folks from churches to campgrounds. We will be at Heritage Acres RV Park in Tuscumbia, Alabama. That is literally 15 minutes from our family home, and we are so excited to be this close to home for the first time in the five years of travel. We will be doing some ministry not only in the campground but coming alongside Valley Grove Baptist Church to do community outreach, to include serving and sharing the Gospel with the homeless population. Over the course of this month, we will be finalizing and preparing any last-minute things needed for the upcoming season. There will be several opportunities throughout the season for you to come and spend a day in the life of ministry or even up to a week. Please keep your eyes open for various ministry happenings over the course of the next couple months. We have 3 major events, weekly chapel services, and many other things already in the works from April to October. Please commit to pray for all the resources, finances, and volunteers to come together at the right time for each thing we do to reach folks with the Gospel. We are all about truly meeting people where they are and taking them where they need to go.

In Christ,

Pastor Matt
