### A Time For Everything

When was the last time you did something different? We are reminded in Ecclesiastes 3:1 “There is a time for everything, and a season for every activity under the heavens.” Whether you have changed careers or bought a new home, God had a reason for that change in your life. Our ministry was certainly full of adventures and changes over the course of the past 7 months. We are reminded that we may plan our ways, but God directs our steps. Change can be nerve racking, yet fun at that same time. Often times, we may end up changing direction in life several times. Sometimes, we may only do something for a season. Then there are times when we do the same thing for a lifetime. Whatever the case, we can always count on God to be the same yesterday, today, and forever!

We have had a blast over the past month while hanging out in Alabama. We have handed out many resources at the campground. We have also attended our home church several times and another supporting church. While here, our ministry was invited to be a guest speaker at a local church event. In addition, we were able to make a quick trip to Texas to visit family. What a blessing it was to pray with people, hand out and put out Bibles, Life Books, and tracks in various places from truck stops along the way to bathrooms in restaurants. We saw the Lord work in many ways and meet many needs. We give Him all the Praise, Honor, and Glory! Over the next few days, we are excited to finally be headed to Florida to join where God is at work. Please keep us in prayer as we minister in many ways, while sharing the Gospel of Jesus Christ!

In Christ, Pastor Matt
