

## Special Winter Edition 2024

### Opportunities to Partner with Us

We hope that each of you have had a great start to the New Year. We expect to see the Lord do great things through the life of our ministry this year. What a blessing each of you have been from your prayers to donations. We would not be able to do what we do without God. He has sent us some of the most generous people we know over the years. We want you to know how much we appreciate you for your continued support.

Our ministry has been given an opportunity to join a medical mission team to Honduras June 28th through July 6th. This is a great opportunity for our family to go serve together overseas. We have gone to serve in Peru, but this would be Maverick's first time to go serve overseas. On this mission trip, we will serve in various ways from helping register those coming to seek medical help to providing food/clothes and running the church services. The total cost for the three of us to go is \$6,000. To secure our spot, we must raise a total of \$1500 due by no later than February 1st. This money will not be refundable once it is turned in. The remainder balance of \$4500 we will have to raise, will need to be turned in by no later than May 1st. We are excited to see how God will use us to help further His Kingdom, as we serve and share the love of Christ.

Many have asked about supporting our ministry in general throughout the year. It costs \$5600 monthly for our ministry to be fully operational every day. Donated money is distributed throughout our budget for admin and marketing, resources, travel expenses, conferences, outreach, events, and salaries. The Lord continues to bless us with more opportunities each year! The places we go, the people we meet, and the adventures we take, amaze us to just how great our God is. We are only able to go to so many places each year but also turn down some places due to the lack of funds. Our ministry will be broadening where we minister this year. We will continue doing some campground ministry, but we will also be coming alongside churches for a few months at a time to help reach their communities for Christ. With that

being said, we will be doing some community outreach, evangelism, discipleship, and missions to include small projects from serving those in need to helping the homeless as the Holy Spirit leads.

What are we missing? YOU!! First and foremost, we need your prayers every day. It means so much to us to know people are praying for our ministry, as we travel to share Jesus across the USA. But we are not able to go and help fulfill “The Great Commission” without your generous donations. We ask that you pray and consider how much the Lord will have you give to support the work we do to help further the Kingdom of God. If you

are wanting to give specifically to help us go on the medical mission trip to Honduras, please specify that specifically in the notes when you donate. This will assure that money will go towards that trip only. All other donations will be placed accordingly in our 2024 ministry budget approved by our board of directors. There is no amount too small or too big; God will turn it into something for His glory to be used where He wants us to. All donations are tax deductible! Please visit <https://redoakministries.org/Donate.html> to help us out today.

In Christ,

Pastor Matt

Meeting people where they are and taking them where they need to go!

Thank you for your continued support!
