True Peace

Where does your peace come from? Jesus tells us in John 14:27 “Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid.” The news, social media, government, some organizations, and many

people in general promote fear and chaos. We hear about things every day that are deceptive to the public. Why? Satan is a liar and deceiver! The Bible tells us he goes around like a roaring lion looking for someone to devour. Matter of fact, Jesus tells us Satan comes to steal, kill, and destroy. The devil would love nothing more than to see us fall into one of his traps of fear and chaos. The world tries to promote peace, but that is not the same peace that comes from the Lord. God’s peace is eternal! People ask us how we can be so calm with all we see happening in the world from natural disasters to war? It’s our relationship with Jesus Christ and having the peace that only He can truly give. Let us encourage you to stop looking to the things in this world and start looking to God. Our challenge to you is to turn off the TV and stay away from social media for one whole month. We are almost certain you will see a drastic difference from your family to your relationships, and perhaps even your health.

October has been a very busy month that went by too fast. One of our most memorable highlights was doing the chapel service, followed by a baptism in the Tennessee River, out at Beyond Gateway Wheeler Lake in Hillsboro, AL. This campground is special to us, because we started a chapel ministry there in 2021 when it was a KOA. Praise the Lord, it is growing and going strong to this day. We meet people every day that are searching for something, to only find themselves back at square one. Many people need the Lord but keep going around in circles, hitting one dead end after another. Sadly, people put their faith in all kinds of things like money, health, friends, their career, or even themselves. What happens when the money is gone, sickness strikes, friends move on, and you find yourself starting all over again? That must be exhausting, but there is a

solution! It's time to start putting your faith in the Lord God Almighty Jesus Christ. Faith in God can do many things like take away your fears, give you True peace, and help you overcome obstacles. What about Salvation? The Bible tells us we are saved by grace through faith and not of works. Faith in things of this world will always end in a disaster, but faith in God will move mountains.

Our schedule for the remainder of the year is booked, but we want to take a few moments to share with you some prayer requests, needs, and direction the Lord is leading for 2025. Please pray for current and new possible partnerships for the upcoming year. Also pray for new opportunities to take the Gospel into more campgrounds and communities. We need not only the finances to go, but resources like Bibles, Life Books, ministry t-shirts, school bag packs

with basic supplies, firewood, paper products to include food for campground events, and volunteers to help when needed. In 2025, we are "Taking Jesus to The Streets" for a Salvation Tour across the country. In addition, we will be doing another overseas mission

trip. It would be great to go back to South Africa, but we will see where the Lord leads. We will also be doing discipleship/evangelism training for those wanting to be a part of pure street evangelism in their communities. It is important that we have volunteers trained and ready to pray and counsel those making decisions, while we openly share the Gospel of Jesus Christ.

As we help further the Kingdom of God, it is our prayer to not turn anyplace down due to the lack of funds and resources. It is our desire to truly meet people where they are and take them where they need to go.

In Christ,

Pastor Matt
