The Gospel

If you were to die today, do you know where you will spend all of eternity? Jesus says in John 3:16 “For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life.” Yes, God loves you that much! He desires for all to be saved and to know the truth. Ultimately, He wants to have a relationship with you! There is nothing we can do to earn, work, or even buy our way into Heaven. We are saved by grace through faith and not of works so that no one may boast. The Lord Jesus did everything for us at the cross, by dying for our sins and raising from the dead on the 3rd day, conquering death. He is alive and well, seated at the right hand of the Father. He did this for you, so that you can have eternal life if you believe. All who call upon the name of the Lord will be saved. Buddha, Mahammad, baptism, being good, going to church, checking all the right boxes, will not save you. Only Jesus Christ can save! There is no other name we have been given under Heaven which we must be saved by. Today is the day of Salvation!

It is hard to believe that the summer is practically gone just like that. The month of August went by fast from doing campground ministry to serving the homeless in the community alongside a few local churches. The people in the campground have been hit and miss, but seeds were planted. God’s Word will not return void! We have been able to help the homeless get out of the heat, give out basic toiletry kits, and share God’s love. Our schedule

for the remainder of the year is fully packed, and our schedule for 2025 is starting to fill faster than we anticipated. If you have yet to book your dates to bring our ministry to your church, hurry before they are gone. Whether we are there short term or for a little longer, we would love to come love on you, your

church, and your community, as we share the Gospel. We have some exciting things in the works for spring/summer 2025, so please stay tuned in the upcoming months for details. Perhaps we will be with you or in a city near you! We are just a little over a week from heading to South Africa. God has been so good to us! We are a little short on the funds, but trust the Lord to do the impossible to cover the remaining balance. We ask that you pray for the people we will meet along the way, while there, and on the way back. Pray for lives to be

changed and souls to be saved, as we go be the hands and feet of Christ to a lost and dying world headed to a place called hell. Yes, hell is a real place. Matter of fact, Jesus talked more about hell than He did Heaven. It's not a place we want anyone to go; please reach out to us today if you are uncertain of where you will spend all of eternity. For today is the day of Salvation!

In Christ,
