Michigan Mission Trip Summer 2026

Hey y'all:

Here is some information regarding the Michigan mission trip in 2026 our ministry team is putting together. Many people have asked for more information, and we thought this would be the best way to share with everyone at once.

The dates are June 19th-26th. We will meet and depart from Parkview Baptist Church in Tuscumbia, Alabama via a charter bus. The cost is roughly \$700 per person. We have 46 spots open, and we need you. It's possible the price could drop and it's possible it could go up depending on the price of the bus and hotel. If ticket prices don't go up, we should be fine at \$700 per person tops. NOTE: this price will include some meals! Our ministry is hoping to secure the bus and hotel right after the first of the year for the best pricing. We would ask for a commitment and deposit of \$250 per person in January 2026.

Regarding the trip, here are some of the plans. Please keep in mind these are flexible plans that could change somewhat. Matt and Trina Harty with Red Oak Ministries will lead the trip. There will be various ministries happening during our time there:

1. The team will be involved in small projects at the church. We need a solid team of people with various skills and a team leader with preferably some background in minor construction. The project would take place in the afternoons following lunch. There is still some uncertainty about our exact project at this time. Most likely it will be helping with replacing the flooring in the downstairs area.

2. The team will be involved in VBS during the morning, and we need a team of solid people with all skill levels to teach, assist, and help with behind the scenes tasks. In the afternoon, we will need a solid team to do evangelism and outreach in the community and surrounding area. This is a great opportunity to go to the neighborhoods and the mall and even visit shut ins to share testimonies while praying for people and sharing the Gospel.

3. The team will likely be involved in hospitality and security at the church to include helping with some meals and helping where a need arises. Each night we will have a church service following supper.

Scott Lake Baptist Church is who Red Oak Ministries works with while there. Depending on the budget of the church and specific needs, this may change the direction of the trip. It's possible we do all of the things mentioned, possible we do some of the things, and we could add a ministry or two.

This trip is open to anyone including families. We will be holding an interest meeting at Parkview Baptist Church on Sunday October 19th following the worship service in the hospitality room. Let me encourage you to make plans to attend if all possible! If you are not local and not able to attend in person, we will try to arrange for you to be with us through zoom. If all else fails, we can get you the information via e-mail! Hope to see you there!!

Thanks for your time and prayerful consideration to come on this exciting mission trip to Michigan with us next summer. May you have a God filled day and a Jesus conversation or two.

In Him,

Matt and Trina, Maverick Harty
